

WEBSITE Marketing & Advertising Packages 2018 / 19

All packages run for **one calendar year**, on a rolling year from date that listing goes live on the website. **visitstagnes.com** is a unique and well used resource which receives up to 12,000 unique visits per month. It is used by locals and visitors alike as a directory for accommodation, eating out and things to do.

As a Member of the St Agnes Chamber of Commerce you receive not only a **free basic listing** but are entitled to the reduced rates for listing upgrades.

Membership is only £50 per year and includes a host of other benefits which are fully explored in the Membership Benefits document which will accompany this rate card if you are business or business-owner based within the parish and not yet a member.

Website renewals will take place on a rolling year and invoiced at the same time as membership if you are also a member.

Directory Page:

All listings are randomised on a directory header page before visitors click through to the article page for each entry listed. To make the most of your listing it is really important that the image you send us is eye catching, attractive and really sells your business at its best.

Located on the beautiful rugged coast of North Cornwall, we offer a small, safe & tranquil park for just 30 tents, caravans and campervans. Situated directly on the South West Coast Path, in the Area of Outstanding Natural Beauty, it's perfect both as a peaceful retreat and a convenient base to explore from. We love dogs and are proud to say we have been voted by the public via the Kennel Club supported 'Dog-Friendly' Magazine as the Best Dog-Friendly Caravan and Camping site in the UK for the last 4 consecutive years

Welcome to Classic Cottages, the holiday cottage specialists. We pride ourselves on our local expertise and have spent over 40 years finding the best self catering holiday cottages for you to enjoy. Our north Cornwall portfolio has lots of lovely cottages in and around St Agnes, ranging from bijoux cottages for two, to family homes near the beach, all hand picked by our discerning (and local) property manager, Penny.

If you fancy a holiday with everything St Agnes has to offer at your fingertips, we've holiday cottages in the heart of this friendly, thriving village - perfect for leaving the car parked and walking home from the wine bar. It's also easy to get to, a short hop from the A30 and you are immersed in the local culture that comes with a Cornish coastal village. Quaint cottages line narrow streets against a background of sparkling sea.

Walks abound in this area, with panoramic views atop St Agnes Beacon and miles of coast path for you and your four-legged friend to explore before returning to your dog-friendly cottage, windwept and content. So strap on the walking boots and enjoy the ruins of mining heritage that this area is known for.

St Agnes is a great base from which to explore the rest of the north coast of Cornwall, discovering rugged little coves, trendy but friendly cafes and of course, getting there first when the waves come in at one of the many renowned surf beaches in the area.
